Dear Mr. Collura:

Thank you for your letter of November 4. I apologize for the delay, but the letter has only just reached me.

I have just completed a suite of STAR WARS and it is available through Mr. Herb Eisman, Twentieth Century Records, 8544 Sunset Blvd., Los Angeles, 90069. If you will contact Mr. Eisman, he will be happy to send it to you.

Yours truly,

John Williams
